

Good Afternoon,

Debbie Walsh- HB 6645

My name is Debbie Walsh. I live in Prospect, Connecticut, and I am writing to oppose HB 6645,
AN ACT CONCERNING COMPASSIONATE AID IN DYING FOR TERMINALLY ILL PATIENTS.

I oppose this bill because even the most well-intentioned people, are capable of making mistakes, and I believe that if this bill becomes law, some of our most vulnerable citizens cannot be sufficiently protected.

Thank you for your time and consideration,

Debbie Walsh
